

The smallest, isolated and perhaps the most picturesque hamlet of Val Vestino.

Cadria is a fraction of the Municipality of Magasa.

A tiny cluster of houses of patriarchal origin, placed in a dominant position towards the final part of the winding valley of the Droanello stream.

Ancient settlement of Celtic populations, it owes its name to the term Cader (mountain).

Noteworthy is the small church dedicated to San Lorenzo, located at the foot of the town.

CADRIA, THE SMALLEST VILLAGE

Welcome to Cima Rest!
A corner of paradise
between Lake Garda
and Lake Idro. Here you
can experience an
unforgettable
experience: hiking,
mountain biking,
running and a lot of
joie de vivre. The barns
of Cima Rest and Denai
can be booked to
spend as long as you
want, a week, a
weekend or even just a
night in contact with
one of the most
beautiful environments
in the Brescia Alps.

CIMA REST E DENAI

The thatched barns of Cima Rest and Denai are unique throughout the Alps and bear witness to a very ancient culture. Do you want to be rented for weekends or weeks to spend an adventure in unspoiled nature.

0365 745010

Before embarking on the journey, it is always advisable to take some precautions, such as: notify the barn manager of the path you want to take, stock up on water based on the length of the route, suitable clothing and commensurate the effort with physical preparation

IL TREKKING A CIMA REST

Trekking to Cima Rest is an established sport, in collaboration with CAI Salò. Cima Rest is an excellent starting point for excursions of all kinds: from romantic walks in the woods to trekking for expert hikers, from nature trails to historical ones
